

StudentMate™ The low cost Student Laptop

StudentMate™

StudentMate™ by One2OneMate™ is a low cost, educational specific laptop computer with a 7" color touch screen and full size QWERTY laptop keyboard.

Made specifically with the student in mind, the StudentMate is constructed of durable plastic, has no moving parts (excluding the keyboard) and can fit into any backpack. Each unit ships with our factory installed core software products including a full featured **word processor (compatible with MS Word)**, **spreadsheet program (compatible with MS Excel)**, All The Right Type Lite StudentMate typing tutor, **Flash™ enabled web browser**, MP3 player, scheduler, calculator, contact manager and more!

StudentMate hardware includes a 7" high resolution color touch screen, Ethernet, wireless (optional), USB ports, SD port, and audio in/out.

StudentMate offers teachers and students affordable One2One computing anywhere, anytime, without the costs and headaches associated with owning a regular laptop.

At \$399 or less (volume discounts available) StudentMate offers **truly affordable computing without hidden add on costs**. All the core software, hardware, power adapter, rechargeable batteries, case and even our **five year warranty** are included!

Visit www.One2OneMate.com to learn more about StudentMate.

Typing Tutor

Each StudentMate ships pre-installed with All the Right Type Lite, a full featured *Deluxe Edition* is also available for a minimal cost.

Features & Benefits

- **Affordable** - With the budgetary constraints schools face, StudentMate was designed to achieve a Total Cost of Ownership not prohibitive to schools.
- **Connectable** - With today's increasing versatility in school computer systems, StudentMate offers an assortment of ways to connect with traditional computers and operating systems, including 2 USB ports, SD Card, Ethernet, USB Cable and optional 802.11 (wireless).
- **Compatible** - StudentMate is Mac and Win compatible and ships pre-installed with TextMaker and PlanMaker, robust word processor and spreadsheet software compatible with industry standard formats, including Word and Excel.
- **Durable and Portable** - Made with ABS plastic specifically with the student in mind. The StudentMate is both durable and mobile and less than 3 lbs.
- **Expandable** - StudentMate allows the user to adapt and expand the software and hardware allowing for individualized instruction.
