

One2OneMate Expands Reach Through MathScore.com

FOR IMMEDIATE RELEASE

Low cost StudentMate laptops enable schools to expand student computer use and increase math proficiency.

Palo Alto, CA (PRWEB) Oct 15, 2007 -- Accurate Learning Systems Corporation has teamed with One2OneMate, a division of Alta Heights Technology Corporation, to provide MathScore.com support for their StudentMate laptops.

StudentMate laptops are unusually cost effective for schools because they are incredibly durable and inexpensive. This enables schools to reliably provide frequent computer access to their students with minimal tech support issues. The integrated web browser can be used to access MathScore.com, which has been optimized to work with StudentMate.

"MathScore.com truly achieves differentiated instruction and is excellent for math interventions. We are excited to offer this solution to our growing customer base," said Michael Spencer, CEO of Alta Heights Technology Corporation.

"StudentMate is the right solution for budget-minded schools that want reliable laptops, which results in a perfect environment for students to master their math skills on MathScore.com," said Steven Yang, CEO of Accurate Learning Systems Corporation.

About Accurate Learning Systems Corporation

Based in Palo Alto, California, Accurate Learning Systems Corporation is committed to putting superior, skill-building learning environments in the hands of teachers, students, administrators and parents. MathScore is a patent-pending, Internet-based math practice environment designed to raise student math achievement. MathScore is unique in its ability to supply an unlimited number of practice problems that are tailored to each student's capabilities and in its ability to provide teachers and parents with instant feedback.
